Review

This resource was a real hit with my students. They enjoyed the opportunity to share their thoughts/gratitude and hear the thoughts of their fellow students. It's also just an adorable, easy game to make! – Laura M

Quirky Turkey A Game of Thankfulness

How to Play

Shuffle Cards

Deal 7 cards to each player.

Place the remaining cards face down.

Turn over the top card on the pile to start the discard pile.

(Note: If the first card turned over is a special card, return it to the pile and start with a quirky turkey.)

The first player looks at their cards and must put down a card that matches the card on top of the discard pile. For example, if the top card is a yellow card with a blue turkey, the player must put down a yellow card or any color card with a blue turkey.

Before discarding their card, players must say something they are thankful for and why. Answers cannot be repeated. They may also use quirky turkey skip cards to have the next player skip their turn. Wild cards can be used for any turn and players may say anything they are thankful for. If a player discards a special card, they must take a card from the pile.

The first player to get rid of all their cards wins.

Special Cards

Skip – Skips the next player

Wild – Can be used for any color or symbol. When discarding a wild card, player picks what to discard next.
