READ THE PASSAGE

Jake and Ella were skipping stones by the lake. Jake picked up a big, flat rock. It was smooth and shiny.
"Watch this one," he said, giving it a strong toss. It went flying, but instead of skipping across the water, it landed with a huge splat! The water went splashing everywhere!

Ella and Jake laughed. Then, they heard a strange crackling sound. Curious, they followed it to an old tree by the water. Its trunk had a deep split down the middle. There were splinters of wood playing out.

Something caught Ella's eye inside the split trunk.
"Look!" She said, reaching in carefully. She pulled out a small, golden shell necklace. It sparkled in the sunlight.

"Wow, it's splendid!" Jake gasped. They couldn't believe their luck. They left it in the tree trunk as a magical, hidden treasure. It would be their secret ready to surprise another adventurer!

READ THE PASSAGE

Lily and Max were exploring their backyard. They spotted a small, shiny door at the base of a large, green shrub. Curiously, they tried to open it. As they tugged, the door opened and gave a sudden shriek as it swung open. Inside, they found a tiny bag labelled "Mystery Shrink Powder".

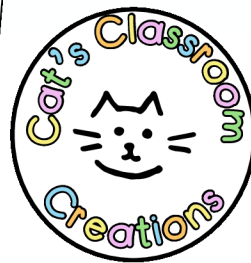

"Let's try it," Max smiled and shrugged, ready for an adventure. Lilly giggled with excitement. They sprinkled the powder on themselves and within seconds they had shrunk to the size of a shrimp!

"Wow!" Lily cried, looking through the door of the shrub.

Their door was tiny!
