Autobiography

EDITABLE DIRECTIONS + RUBRIC

Name _____ Date _____

Illustrated Autobiography

Directions: Illustrate and color a mountain and valley landscape. As indicated below, fill in the appropriate parts of the dirt road, valley, mountains, and clouds.

Dirt road: The dirt road represents your daily life and your foundation. Illustrate the dirt road and list at least six of your strengths and/or parts of your everyday life.

Valley: The valley is at the base of the mountains and is a low point. Illustrate the valley and list at least three of your life's weaknesses and/or disappointing moments.

Mountains: The mountains are high points. Illustrate the mountains and list at least four positive moments in your life.

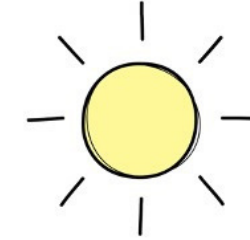

Clouds: The clouds represent your goals, hopes, and dreams for your future. Illustrate clouds and write your goals, hopes, and dreams in the clouds.

Write: After illustrating your mountain scene, choose one thing from each element and write an essay explaining each element.

Name _____ Date _____

Illustrated Autobiography

_____/15 Writing

The writing elaborates and thoroughly explains elements of the Illustrated Autobiography. The writing is clear and concise, with a clear organizational structure.

_____/10 Design

The scene is well designed, with attention paid to font/handwriting, general neatness, and the included elements. The elements 'paint' a picture of the person who created the scene.

_____/5 Mechanics

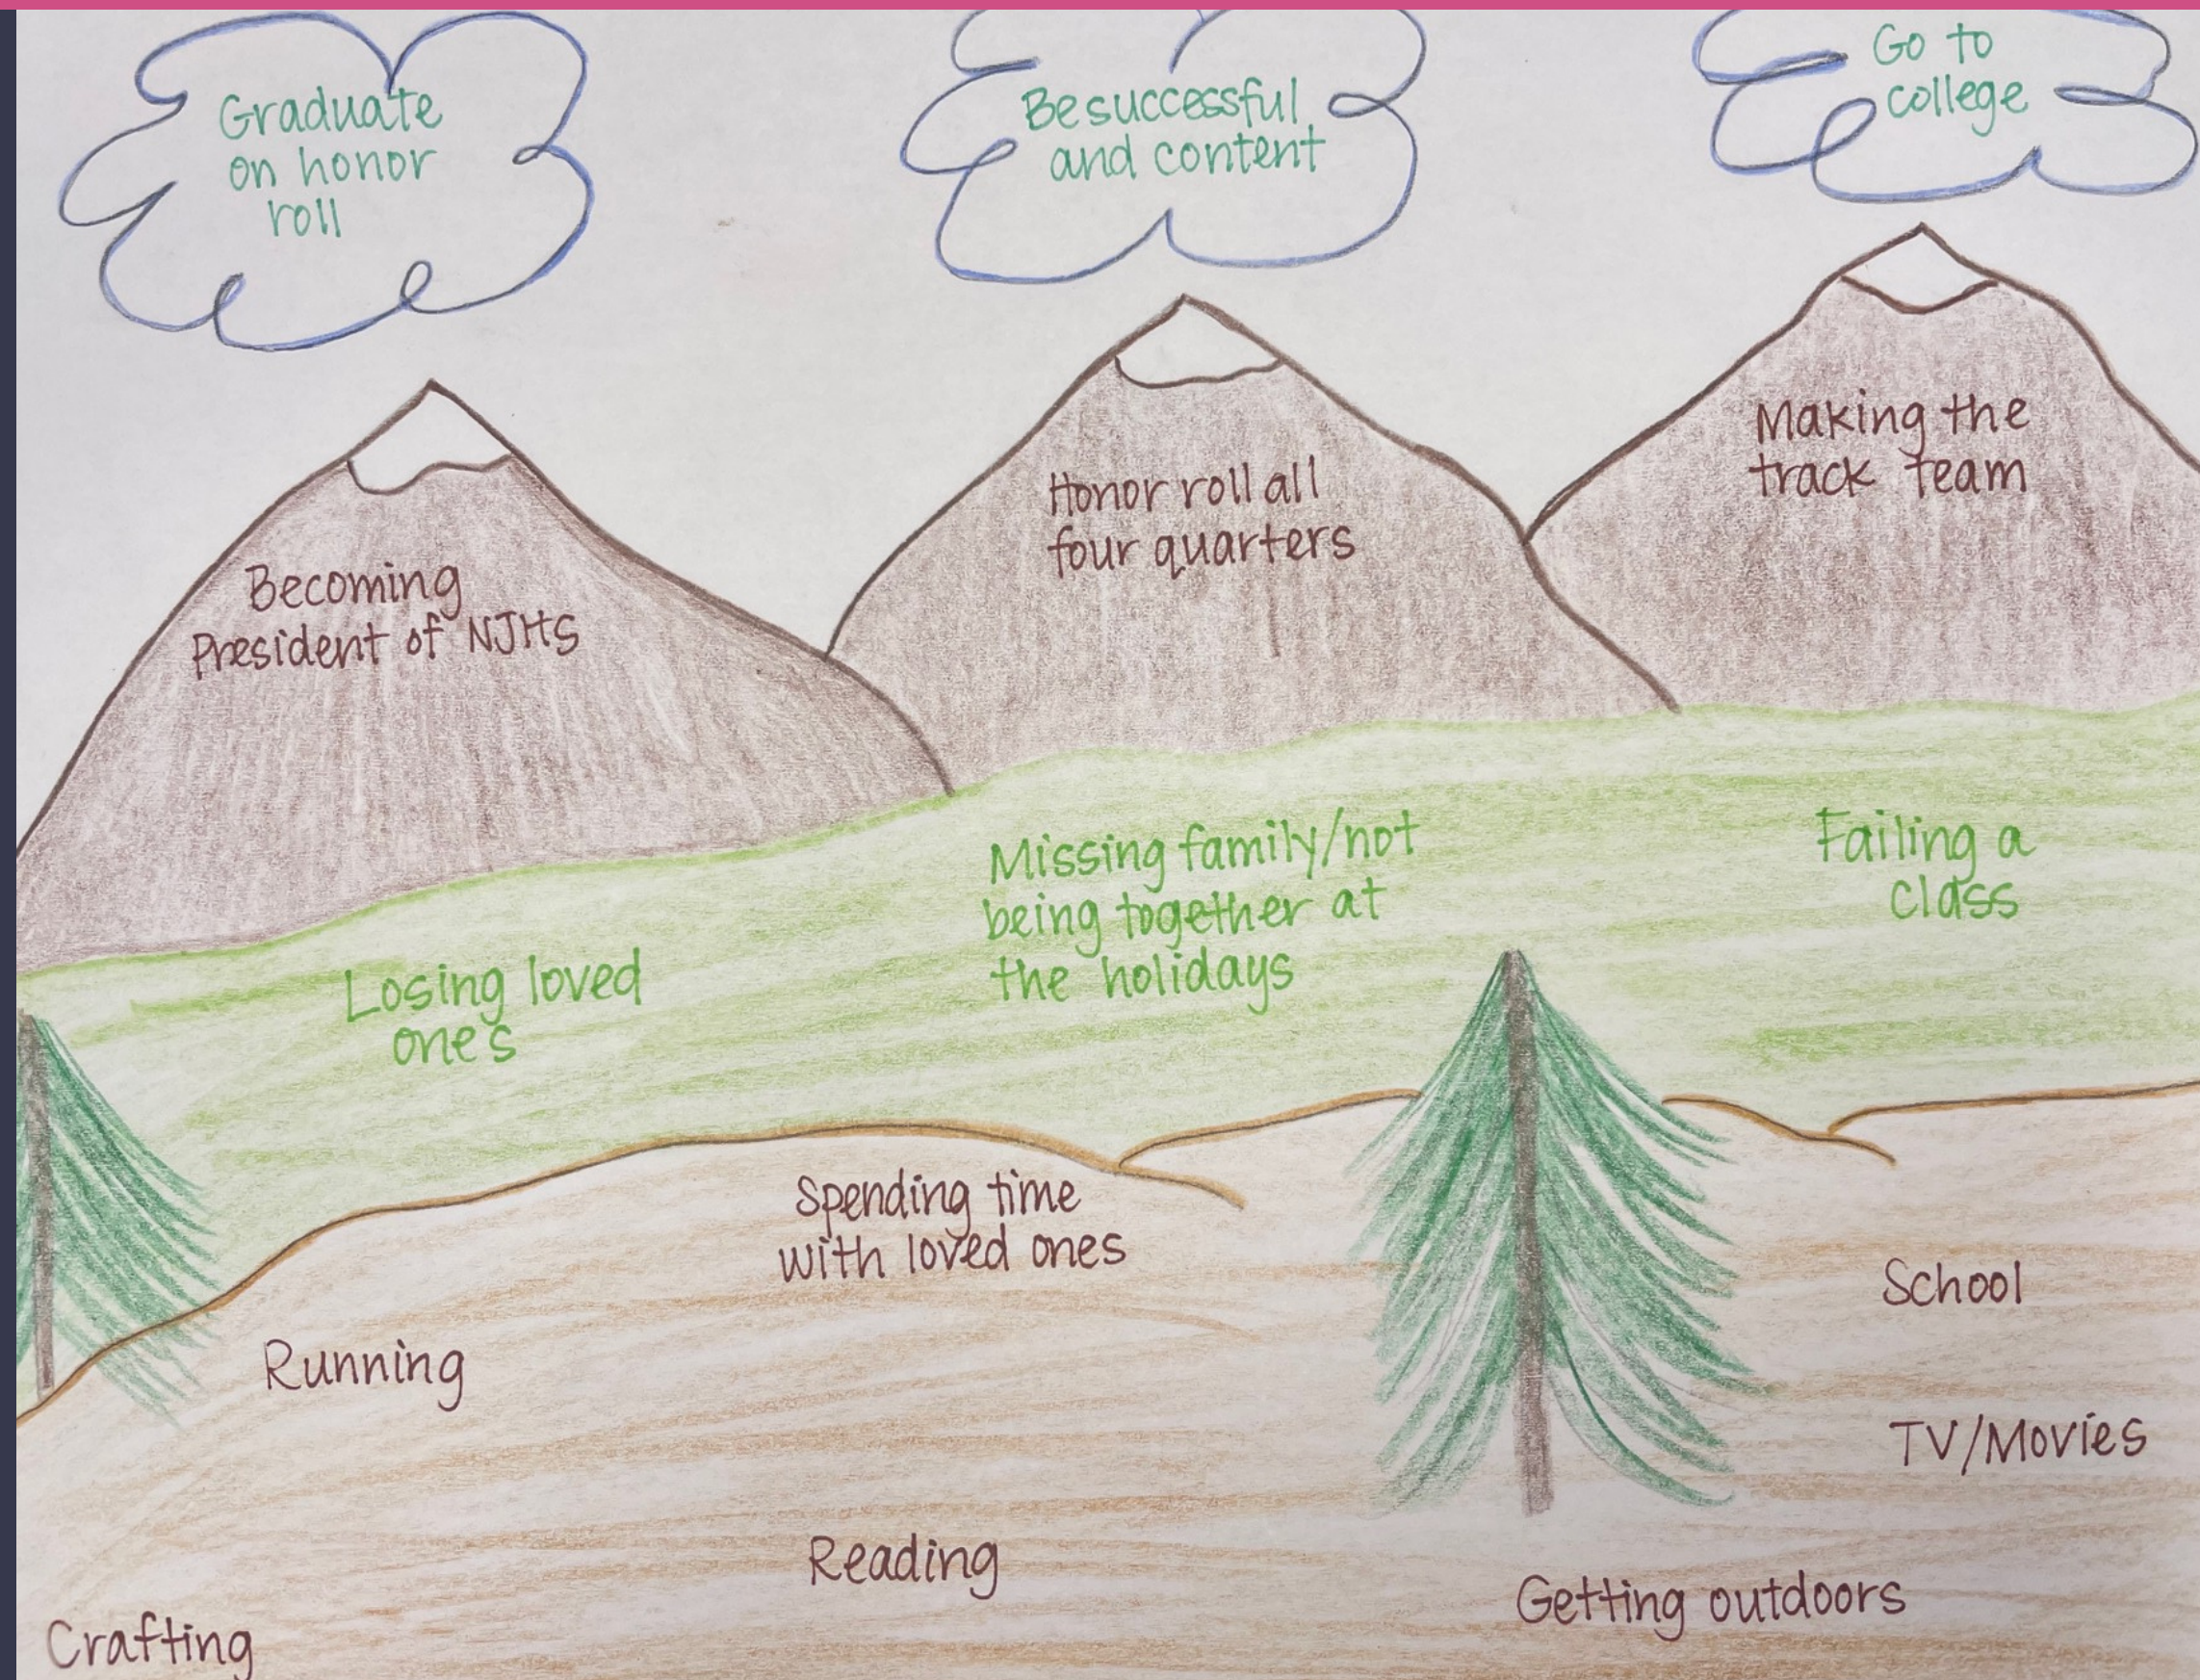

The writing has few to no punctuation, capitalization, spelling, or grammar errors.
