Students were asked to pick a school mascot. The table shows the results. How many students voted for a unicorn or an alligator?

Mascot	Number of votes
Bear	184
Alligator	221
Duck	179
Unicorn	297

There is a 'MARVEL Math' logo at the bottom left of the card, next to an illustration of a unicorn and an alligator.

You Will **Love** This Resource:

-  **Automatic data** collection and analysis
-  **Differentiate** by removing questions or limiting answer choices
-  Answer choices are **Editable**
-  **Self-Grading** for instant student feedback

Ways to Use **This Resource**:

-  **Math Station** – Students can watch the video instructions and complete the activity independently
-  **Whole Class Teaching** – Use the interactive slides to teach this concept during your lesson
-  **Tutoring** – Use the slides for a focused lesson that doesn't need any prep

About the Author

This resource was created by Melissa Johnson, who has 16 years of k-10 teaching experience and a masters degree in Mathematics Education. Her resources build conceptual understanding, make connections between math topics and engage students in the mathematics they are learning.
