TOP SECRET

Secret Agent Jake Carter was a quiet and organised secret agent. He knew the rules of being a spy and he followed them carefully. Sometimes it was hard, especially when the rules didn't make sense.

Agent Jake was on a mission to a remote island destination. He was staying at a safe house with a nice view of the vibrant palm trees and crisp, white sandy beach. He was lucky that he could swim in the sparkling blue ocean each morning while waiting for his spy orders that day.

It was a good mission to be on. The only thing that bothered Agent Jake was the rule about the briefcase. Do not move the briefcase. Do not touch the briefcase. Do not open the briefcase.
